

Healthy and Safe Schools Plan

State law requires that every school district, education service district, and public charter school in Oregon, develop a Healthy and Safe Schools Plan (HASS Plan). Each organization's HASS Plan has specific requirements that must be included for the HASS Plan to comply with state law. All HASS Plans are due to the Oregon Department of Education by July 1, 2019. Additionally, each school district, education service district, and public charter school is required to certify annually that the organization continues to comply with the requirements of the HASS Plan by filing an Annual Statement.

1. Responsible Person

The person responsible for administering and implementing the Healthy and Safe Schools Plan:

Name: Chris Long
Position Title: Principal
Phone Number: 503 877 4875
Email Address: crlong@willca.connectionsacademy.org
Mailing Address: 38750 N Main Street, #449; Scio, OR 97374

The person who is the designated IPM Coordinator:

Name: Kristy Eckhardt
Position Title: Administrative Assistant
Phone Number: 503-379-9498
Email Address: keckhardt@willca.connectionsacademy.org
Mailing Address: 38750 N Main Street, #449; Scio, OR 97374

The person responsible for AHERA information:

Name: Kristy Eckhardt
Position Title: Administrative Assistant
Phone Number: 503-379-9498
Email Address: keckhardt@willca.connectionsacademy.org
Mailing Address: 38750 N Main Street, #449; Scio, OR 97374

2. List Facilities

All facilities owned and leased by Willamette Connections Academy ("WillCA") are covered by this HASS Plan and listed below. Since WillCA operates as a virtual charter school, are no students

present at these locations. However, since a small number of staff report to these locations, the HASS plan covers these individuals.

Facility Name	Facility Address
WillCA	38776 NW Cherry St., Scio OR 97374

3. Elevated Levels of Lead in Water Used for Drinking or Food Preparation

All school districts, education service districts, and public charter schools are required to test for and eliminate exposure to elevated levels of lead in water used for Drinking and Food Preparation through either remediation or eliminating access, according to OAR 333-061-0400 and OAR 581-022-2223. In conformance with those administrative rules, Willamette Connections Academy certifies the following:

1. All testing was done according to the testing requirements in OAR 333-061-0400;
2. All samples were analyzed by a lab accredited by Oregon Health Authority to test for those materials;
3. All water fixtures required to be tested under OAR 333-061-0400 were tested for elevated levels of lead in accordance with the testing schedule developed by the Oregon Health Authority; and
4. The testing schedule for each building covered by this plan is set forth below:

Facility Name	Year of Last Test (year only)	Next scheduled test (per 6 year schedule)	Schedule or Exemption Reason
WillCA- Scio	2019	FY 2021	6 year schedule

Where any elevated lead levels are found, the school will take the following steps to address the cause and provide a safe environment for students and staff:

1. Immediately stop the water from being consumed and ensure a source of safe drinking water is available.
2. Identify and eliminate the source of the lead.
3. Retest the water to ensure it is safe for students and staff.
4. Notify parents, students and staff of the results and actions taken.

4. Lead Paint

In order to comply with the United States Environmental Protection Agency's Renovation, Repair and Painting Program Rule, WillCA will only contract with certified lead based paint renovation contractors licensed by the Oregon Construction Contractors Board.

5. Asbestos

WillCA complies with the federal Asbestos Hazard Emergency Response Act (AHERA). All required asbestos management plans are available for viewing by submitting a request to [Kristy Eckhardt](#).

6. Radon

WillCA has developed a radon plan as required by ORS 332.167. Community members can access a copy of the radon plan here: www.connectionsacademy.com. Test results¹ will be made public and are available here: www.connectionsacademy.com.

7. Integrated Pest Management

WillCA has adopted an Integrated Pest Management (IPM) plan as required by ORS 634.700 through 634.750. Community members can access a copy of the IPM plan here: www.connectionsacademy.com

8. Carbon Monoxide Detectors

WillCA certifies that all buildings subject to the Healthy and Safe Schools Plan comply with the carbon monoxide detection standards in the state building code that was in effect when the building was originally constructed or as required by building code due to addition, upgrade, or remodel.

9. Test Results Publication

WillCA has complied with the requirement to provide access to test results¹, as defined by OAR 581-022-2223 within 10 business days as defined by ORS 332-334. Test results can be found on the school's website at www.connectionsacademy.com. Specific test results can be found as follows:

- Lead in Water: www.connectionsacademy.com
- Radon: www.connectionsacademy.com

¹ Note: WillCA is in the process of completing all required testing at both facilities. Results will be available via the below links upon completion.

Additionally, copies of all test results are available at the school's facility, located at 38776 NW Cherry St, Scio, OR 97374

WillCA will use current district/school email lists or communications programs to provide final test results to staff, students, parents of minor students, and other members of the community. This includes providing actual final test results or providing direct access to final test results through links in the communications. Please contact appropriate district personnel to be added to current district email lists and programs.

I certify that the above information is true and accurate to the best of my knowledge.
