

State Testing - Spring 2021

Affected Students: Grades 3-8 and Algebra 1, English 2, Biology, and U.S. History

SC READY/SCPASS

Students in grades 3-8 will participate in SC READY testing. Additionally, students in grades 4 and 6 will participate in SCPASS testing. More information about each of these tests can be found on this [Brochure for Parents and Students](#). [Brochure Translated to Spanish](#)

SCCA's READY/PASS Schedule

Assessment	Dates Assessment Will Be Administered
ELA Session 2: Reading	May 3 & 10
ELA Session 1: Writing	May 4 & 11
Mathematics	May 5 & 12
Science (4th & 6th gr. only)	May 6 & 13

**Test sites, testing weeks (either May 3-7 or May 10-14), and testing times (either 9:00 AM or 1:00 PM) have been assigned to students. This information can be found under a student's Courses. More information will be provided by your site lead via webmail.*

Students are encouraged to prepare for the test by practicing the Online Tools Training. This is not test question practice, but rather practice for using the test platform. The READY/PASS OTT can be accessed [here](#). You can also access an Online Video Tutorial for READY/PASS [here](#).

Calculators can be used on the Grades 6-8 Math test - Calculator section only. A [desmos calculator](#) can be accessed online for these tests.

- Grade 6 students will have access to both the Desmos basic and scientific calculators during the SC READY mathematics calculator section or SCPASS science test.
- Grades 7 and 8 students will have access to both the Desmos scientific and graphing calculators during the SC READY mathematics calculator section.

End of Course (EOC)

Students taking part B of Algebra 1 (Honors, Intermediate, and Standard levels), English 2, Biology, and U.S. History will participate in EOC exams. More information about these exams can be found [here](#).

SCCA's EOC Schedule

Course/Exam	Dates Exam Will Be Administered
English 2 Reading	May 17 & 24*
English 2 Writing	May 18
Algebra 1	May 19
Biology	May 20
U.S. History	May 21

**Test sites, testing days, and testing times (either 9:00 AM or 1:00 PM) have been assigned to students. This information can be found under a student's Courses. More information will be provided by your site lead via webmail.*

Students are encouraged to prepare for the test by practicing the Online Tools Training. This is not test question practice, but rather practice for using the test platform. The EOC OTT can be accessed [here](#). You can also access an Online Video Tutorial for EOC [here](#).

Calculators can be used on the Algebra 1 and Biology exams. A [desmos calculator](#) can be accessed online for these tests.

- Students taking the Algebra 1 and Biology tests will have access to both the Desmos scientific and graphing calculators.
