

CAM Community School District

Dear Parent,

We are thrilled that you are considering enrolling your child in Iowa Connections Academy, a tuition-free virtual public school offered by the CAM Community School District. Although it may seem early to think about the 2020-21, school year, there's a very important step required by the state of Iowa that can be completed now: the Open Enrollment Application process.

Open Enrollment Deadlines

Enrollment in Iowa Connections Academy is open statewide to Iowa students in first through twelfth grades only until **March 2, 2020**. (For student entering kindergarten, the Open Enrollment period remains open until September 1, 2020.)

Instructions for Completing the Open Enrollment Application

To enroll your child in Iowa Connections Academy for the 2020-2021 school year, you must complete and submit the Open Enrollment Application to both the CAM Community School District *and* your resident district. You must submit one application for each student you are enrolling. Using the attached form:

Please provide the student's name and date of birth, and answer all questions.

For question 13, please choose Regular Education. If your child has an IEP, please also check Special Education. **Do not** select *Home School (CPI), Home School Assistance Program, Dual Enrollment-Academic, or Dual Enrollment-Activity*.

Sign and date the application on page 2.

Submitting the Open Enrollment Application

When sending the form to your resident district, it is a good idea to request confirmation that the form was received. There are two ways you may submit the application to the CAM Community District by Monday, March 2, 2020.

Fax to CAM Community School District at (712) 762-3713

Mail to CAM Community School District at:

Attn: Open Enrollment Application

1000 Victory Park Road

Anita, IA 50020

Even if you have not yet decided to enroll your child in Iowa Connections Academy, we encourage you to submit this application. Doing this does not commit you to enroll with us, but you will need to submit the Open Enrollment Application before the deadline to keep the option available for your child.

If you have questions or need assistance, please do not hesitate to call a member of our enrollment team at (800) 382-6010. We hope to welcome your student for the 2020-21 school year.
