

Dear Parents or Guardians:

According to Florida Statute 1012.42, we must notify parents of students who are being taught by out of field teachers. A teacher is out-of-field until the coverage/endorsement for a class that he or she is teaching is issued by the state of Florida. In addition, the certification and/or endorsement must appear on his or her teaching certificate. Individuals who are teaching out-of-field are certified in a least one area and are qualified to teach but are required to take additional course work or testing to add a coverage/endorsement to their certificate.

Please contact the school, 813-291-0550, if you need further clarification.

The following teachers have agreed to teach out-of-field while completing course work and/or testing.
