

## *Parent's Right to Know*

Date: 9/6/19

Dear Parents and Guardians:

In accordance with the Every Student Succeeds Act (ESSA), this is a notification from Nevada Connections Academy to the parents of students in a school which receives federal Title I funding that you have the right to request and receive information in a timely manner regarding the professional qualifications of your student's classroom teachers. This information regarding the professional qualifications of your student's classroom teachers shall include the following:

- If the teacher has met state qualification and licensing criteria for the grade level and subject areas taught;
- If the teacher is teaching under emergency or temporary status in which state qualifications and licensing criteria are waived;
- The teacher's baccalaureate degree major, graduate certification, and field of discipline; and
- Whether the student is provided services by paraprofessionals, and if so, their qualifications.

Families also have access to basic background information about the school's teachers. This information, found in Connexus through the teacher's Teacher Profile Data View, includes teacher qualifications, experience, and photos.

At this time all teachers at Nevada Connections Academy meet applicable State certification and licensure requirements at the grade level and subject area assigned. However, if at any time your student is taught for 4 or more consecutive weeks by a teacher that does not meet state-specific teacher effectiveness requirements, you will be notified by the school of this information.

If you have questions or concerns, please do not hesitate to contact me.

Sincerely,

Christine Dzarnoski
