- The Class of 2022 included 32 graduates who had been enrolled with OCA since elementary school.

STUDENT POPULATION

Ohio Connections Academy is an accredited, public school serving students in grades K-12 from across the state. Our students come from urban, suburban, and rural communities. The school was founded during the 2004-2005 school year as a K-8 school. The school served 9th graders for the first time in 2005- 2006 and added one grade level per year since then. Ohio Connections Academy's first 12th grade class graduated in June 2009.

*The approved advanced science courses are Earth Science, Honors Earth Science, Conservation Science, Chemistry, Honors Chemistry, Physics, and any AP or CCP science course.

**This course is required by the State of Ohio.

***The additional elective credits are to be taken in curricular areas specified in the statute, i.e., they must be selected from "one or any combination of foreign language, fine arts, business, career-technical education, family and consumer sciences, Junior Reserve Officer Training Corps programs, technology, agricultural education, or English language arts, mathematics, science, or social studies courses not otherwise required."

Average Test Scores

GRADE SCALE

Semester and year-end GPA calculations will follow a four-point scale (below). Grade point averages will only include graded courses; pass/fail courses will not be averaged into a student's GPA. Grades for Honors courses are weighted with one-half (0.5) extra grade point. Grades for Advanced Placement (AP®) courses are weighted with one (1) extra grade point. College Credit Plus (CCP) courses in English, Math, Science, Social Studies, Fine Arts, Technology and World Languages are weighted with one (1) extra grade point.
