

REACH Cyber Charter School Nondiscrimination Statement

The REACH Cyber Charter School shall not discriminate in their academic programs, activities or employment practices based on gender, race, color, national origin, sex, sexual orientation, disability, age, religion or any other legally protected classification.

What is Title IX?

The U.S. Department of Education's Office for Civil Rights (OCR) enforces, among other statutes, Title IX of the Education Amendments of 1972. Title IX protects people from discrimination based on sex in education programs or activities that receive Federal financial assistance.

Title IX states that:

No person in the United States shall, on the basis of sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any education program or activity receiving Federal financial assistance.
