

## State Testing - 2022-23

Student participation with in-person state testing is a requirement of students enrolled in a South Carolina public school and a requirement of enrollment at LCCA. Our required in-person state tests are listed below. Please mark these dates on your calendar. Doctor's appointments and other out-of-school functions, including family vacations, should not be scheduled during testing. Failure to attend state testing could result in withdrawal from our school.

\*More information regarding specific test site locations, test dates, and testing times will be provided via our school newsletter in webmail.

Things to Note:

\*Students may not be in possession of any electronic device(s) during the test administration that can be used for communicating, recording, timing, creating images, or storing images with the exception of necessary medical devices. Devices will be collected by the test administrator and returned after each test session is completed.

\*SC READY, SCPASS, and EOC - Resources regarding testing such as brochures, sample items, sample score reports, Score Report User's Guide, translations and alternate formats for these resources are available on the SCDE [Website](#).

\*SC READY Math / SCPASS Science (Grades 6-8 only) and EOC (Algebra 1, Intermediate Algebra, and Biology) - The Desmos calculator is the recommended calculator for these assessments. The Desmos calculator is built into the online test engine. Using the Desmos calculator will reduce security risks. Desmos can be accessed for free at [www.desmos.com](http://www.desmos.com) and used by students during daily instruction. Students will not have access to the "sliders" when taking their assessments.

~ No student-owned calculators can be used on state assessments. Calculators are provided by LCCA.
