ABOUT OUR SCHOOL

OUR MISSION

The mission of Arizona Connections Academy (ACA) is to leverage technology to help each participating student maximize his or her potential and meet the highest performance standard. This mission is accomplished through a uniquely individualized learning program that combines the best in virtual education with unique technology-based productivity tools and very real connections among students, families, teachers, and the community. Every ACA Student has a Personalized Learning Plan and an entire team of adults (including an Arizona-certified teacher and a parent or other learning coach) committed to the student's successful fulfillment of that plan. ACA is a high-quality, high-tech, high-touch virtual "school without walls" program that brings out the best in every student through Personalized Performance Learning.

OUR VISION

To be the very best virtual school where students achieve their top learning potential through caring connections and high expectations for all.

OUR PROGRAM

Arizona Connections Academy is accredited by the North Central Association Commission on Accreditation and School Improvement, the Northwest Accreditation Commission, and the Southern Association of Colleges & Schools Council on Accreditation and School Improvement (SACS CASI), which are accrediting divisions of Cognia. Arizona Connections Academy includes a four-year comprehensive high school program. The school has 93 full-time teaching and administrative staff members. School is in session for 180 days between the months of August and May.
