ABOUT OUR SCHOOL

OUR MISSION

The mission of Iowa Connections Academy is to partner with all stakeholders to succeed, in and beyond, the learning environment through compassionate collaboration, personalized learning, and purposeful relationships.

OUR PROGRAM

Iowa Connections Academy includes a four-year comprehensive high school program with an enrollment of over 1,800 students. Here are some important facts about the program:

Iowa Connections Academy is accredited by the North Central Association Commission on Accreditation and School Improvement (NCA CASI), an accrediting division by Cognia.

The school was founded during the 2012-13 school year as a K-12 public school. School is in session for 1,200 hours between the months of August and May. In order to best serve our students, IACA goes above and beyond the required 1080 academic hours.

STUDENT POPULATION

Iowa Connections Academy is an accredited, public school serving students in grades K-12 from across the state. Our students come from urban, suburban, and rural communities. The school's first 12th grade class graduated in May 2013.

Career Readiness Program

Iowa Connections Academy (IACA) began offering Coursera courses in 23-24. The IACA Coursera program allows students to earn industry certifications in eight areas or domains. Additionally, the courses within these certifications will earn high school elective graduation credits. Certifications Offered: Google Digital Marketing & eCommerce, Google IT Support, Google Project Management, Google UX Design, IBM - Cybersecurity Analyst, IBM - Full Stack Cloud Developer, META - Social Media Marketing, and Salesforce Sales Development Representative. Coursera offers IACA students: validation of skills and knowledge, enhances their credibility in the marketplace and opens the door to new job opportunities, promotions, and career advancements.

Students at IACA may also take courses through our partnership with Pearson Online Academy. These courses are designated as PearsonOnlineAcademy-ia1 on the transcript.

PATHWAYS TO GRADUATION

One of IACA's key initiatives is to support students and families in developing personalized pathways to Graduation and beyond. Maintaining a "Future Ready" focus, regarding both career readiness and the capacity for students to sustain whole person well-being, is essential to assisting students with growing, fostering hope and a positive vision for their lives. Many IACA students take advantage of personalized, Future Ready pathways to Graduation:

- Traditional Diploma Pathway
- Iowa Required Diploma Pathway: Satisfy core course requirements, CPR, and approved independent study electives as a part of an individualized Pathway

Each of these opportunities run in conjunction or independent of postsecondary and other learning opportunities. Iowa Western Community College, CAM High School, and Iowa Connections Academy are working together to provide a number of educational opportunities for IACA students.
