You and your student may take part in these proceedings and have an attorney represent you. The following details the procedures:

i. If you disagree with the identification, evaluation, educational placement, or with the provisions of a free appropriate public education for your student, you may make a request for a hearing to the superintendent or the Section 504 Coordinator, indicating the specific reason(s) for the request. Upon receipt of the request, the superintendent shall appoint the hearing officer.

ii. MNCA may initiate a hearing regarding the identification, evaluation, or educational placement of the student or the provision of a free appropriate public education to the student. MNCA shall notify you of the specific reason(s) for the request.

iii. MNCA shall conduct hearings within twenty (20) instructional days after it receives the request, unless the hearing officer grants an extension, and at a time and place reasonably convenient to you.

Q. You are entitled to request a review (appeal) of the hearing, should you not prevail. The following details the procedure:

i. You or any party to the hearing may petition to review (appeal) the decision of the hearing officer. The request must specify the objections and be filed with the superintendent and the opposing party within twenty (20) instructional days of the date the hearing officer's decision is received. MNCA must appoint an independent appeals officer to conduct an impartial review of the record as a whole. The officer may, at his/her election, conduct the review with or without oral argument. Such review shall be conducted within twenty (20) instructional days of the receipt of the petition to review, unless either party requests an extension of time.

ii. The appeals officer shall ensure that a transcript of the review is prepared and made available to any party upon request.

iii. Any party disagreeing with the decision of the appeals officer may appeal to a civil court with jurisdiction.

iv. A parent/legal guardian represented by legal counsel during the proceedings of a due process hearing, appeal, or civil action may be entitled to reimbursement of legal fees if the parent ultimately prevails. This procedure does not deny the right of the grievant to file a formal complaint in federal court or with the U.S. Department of Education. Changes in the law, including timelines for filing a complaint, may affect your rights.

The MNCA Section 504 Coordinator is responsible for assuring that the school is in compliance with Section 504.
