ABOUT OUR SCHOOL

OUR HISTORY

Minnesota Connections Academy (MNCA) is an accredited, public school serving students in grades K-12 from across the state. Our students come from urban, suburban, and rural communities. The school was founded during the 2004-05 school year as a K-8 school. The school's first 12th grade class graduated in June 2009.

OUR MISSION

The mission of Minnesota Connections Academy is to maximize academic achievement for students throughout the state of Minnesota who seek an alternative to the traditional classroom.

OUR VISION

Minnesota Connections Academy is an inclusive school community where learners feel strong, proud, and supported to take the risks required to become leaders. We celebrate student diversity, challenge the inequities facing all children, and provide space where students can be courageous and authentic.

OUR PROGRAM

Minnesota Connections Academy (MNCA) includes a four-year comprehensive high school program with an enrollment of over 6000 students in grades K-12. Here are some important facts about the program:

- Minnesota Connections Academy is accredited by the North Central Association Commission on Accreditation and School Improvement (NCA CASI), which is accredited by Cognia.
- School is in session 173 days between the months of August and June.
- We have over 133 courses that are NCAA Certified.
- MNCA is proud to have a National Honor Society, a Junior National Honor Society, and a National Elementary Honor Society.

ADVANCED COURSE OPTIONS

Minnesota Connections Academy's core curriculum is geared toward preparing students for college and beyond. Students have access to AP; Honors, College Preparatory, and Standard programs. Students also can participate in the Postsecondary Enrollment Options (PSEO) program, where they can earn dual high school and college credit by attending post-secondary institutions.

AP Course Offerings Include: Biology, Calculus AB, Calculus BC, English Language and Composition, English Literature and Composition, Human Geography, Psychology, United States Government & Politics, and United States History, Micro/Macro Economics.

Honors Course Offerings Include: English 9-12, Algebra I and II, Geometry, Pre-Calculus, Biology, Chemistry, Earth Science, Physics, Economics, U.S. History, American Government, and World History.
