ABOUT OUR SCHOOL

OUR MISSION

MOCA's mission is to build relationships by prioritizing collaboration to foster an environment of excellence that gives students the education they deserve.

OUR PROGRAM

Missouri Connections Academy offers a four-year comprehensive high school program with a projected enrollment of 2300+ students in grades K-12. Here are some important facts about our program:

- School is in session 159 days between the months of August and May.
- Students who have taken high school level courses while in middle school may be granted high school credit in Foreign Language or Math.
- Missouri Connections Academy students participate in all state testing requirements and MOCA encourages students to take the appropriate college entrance and preparatory exams necessary for reaching their personal and academic goals.

STUDENT POPULATION

Missouri Connections Academy is a tuition free virtual public school serving students in grades K-12 from across the state. Our students come from urban, suburban, and rural communities. The school was founded during the 2020-2021 school year as a K-12 school.
