

ABOUT OUR SCHOOL

OUR MISSION

To help each student maximize his or her potential and meet the highest performance standards through a uniquely individualized learning program.

OUR VISION

We see an engaged community fostering student success. We see an exemplary team that is committed to each other and our students. We see NMCA as an innovative cutting-edge school.

OUR PROGRAM

New Mexico Connections Academy is approved by the NM Public Education Department and an accredited, public charter school serving students in grades 4-12 across the state. NMCA includes a four-year comprehensive high school program. The school was founded in the 2013-14 school year, with the first senior class graduating in May 2014. NMCA is a rigorous alternative to the traditional public school that encourages students to maximize their individual learning potential in a more flexible environment. The curriculum at NMCA is challenging and well designed to prepare students for their post-high school choices, and all curriculum is taught by New Mexico Certified teachers.

Important facts about the program:

- New Mexico Connections Academy is accredited by the North Central Association Commission on Accreditation and School Improvement (NCA CASI,) an accrediting division of Cognia, formerly AdvancedED.
