

5 Ways to do LANGUAGE IMMERSION FOR STUDENTS

1.

Watch videos and listen to podcasts and music in a second language

2.

Read picture books or comic books in another language and see how the words and images connect.

3.

Use immersive language-learning apps and websites or visit familiar websites in a second language.

4.

Invite over bilingual friends and have them speak only in their native language or **go to local markets or events** where most attendees will be speaking another language.

5.

Label all the common items in your home with the word they go by in another language.
